

# KU Engineering Summer Camp Packing List

**Camp is for five nights and six days, please pack accordingly. There is very little time spent in the residence halls during the day, so there is no need to bring more than what is listed in the following pages unless it is deemed personally necessary.**

Other considerations:

- Campers will be given one T-shirt.
- Linens (sheets/pillowcases) are provided; additional bedding is optional.
- Weather varies! Pack with drastic weather changes in mind and check the forecast before arriving.
- Campers may want to bring money for bookstore purchases or vending machines. KU's campus is cashless.
- Participants are prohibited from packing televisions, game consoles, exercise equipment, mini-fridges, trunks, etc.

**See the following page for the official packing list.**
